Dear Mike,

Thank you for your appearance at our City of Antigo Employee Recognition Dinner. Having no experience with putting on such a banquet or booking a comedian, you made the process easy and painless and I received the epitome of professionalism when I chose you.

I don't know how you managed to put together such a hilarious routine with our diverse group as an audience but the compliments on your performance are still coming in. It shows what a talent you have that you were able to have an audience of people ranging in age from 21 to 71+ breaking into uproarious laughter without use of foul language. As municipal employees we have a range of departments and senses of humor and you exceeded my expectations in bringing us all together to laugh at ourselves and each other as well as the everyday lives we lead.

Thank you again for making the trek to the Northwoods. I hope you enjoyed Antigo as much as it enjoyed having you here. Please feel free to use us as a reference for any future clientele as we would be happy to recommend you.

Sincerely,

Julie M. Zack
