

Dear Mike - (Marvelous Ent.)

Just a note to thank you for your wonderful performance at our party.

Everyone truly enjoyed your show - there was such a difference in the age groups, yet everyone related so well to you.

Three people have asked for your name & phone number - so I gave them your card. Hope you get a booking from us.

Again - Thank you and we're hoping to catch you at a club.

Greg & Jamie
