Dear Mike,

I just wanted to take a minute to acknowledge your performance during the annual Christmas gathering for Milwaukee County Law Enforcement Executives Association. First of all, I personally appreciate your willingness to help out on short notice. Second, your routine was exceptional and certainly appropriate for the mixed crowd. This was certainly, a difficult group to roast, but you expertly kept everyone entertained—at our own expense! You were wonderful and the thought of having a comedian present was the main reason we had our largest turn out ever.

In closing, thank you for making our Christmas a memorable one!

Sincerely,

Thomas P. Bauer
